

Hitler Forced Back Another 50 Miles

SEEK TO STOP SALE OF INN AT CROSS KEYS

With the sale of the real estate and personal property at Cross Keys Inn scheduled for 10 o'clock Friday morning, a hearing will be held at 3 o'clock this afternoon in the office of Referee W. H. Compton, Harrisburg, to decide whether the sale shall be held as scheduled or whether the petition of a group of creditors of Howe W. and Miriam Garth Shutz, bankrupts, for a postponement shall be granted.

The tangled affairs surrounding the Cross Keys Inn took a new turn Wednesday with the filing of the petition with Mr. Compton by Markowitz, Liverant, Wogan and Ruch, Esqs., of York, for these "creditors": S. P. Mehling and T. J. Little, Hanover; H. G. Haverstock, father of Mildred Haverstock, an employee at the inn who also signed the petition; the Howard Supply company, York; Royale Dairy, Hanover; Alwine Brick company, New Oxford; Aero Oil company, New Oxford; Schmuck company, Hanover, and the Service Supply company, York.

Banker Appeals

A letter, attached to the petition, signed by Howard A. Stonesifer, president of the Littlestown National bank, also asks that the sale be postponed. The Littlestown National is one of the principal creditors holding both secured and unsecured claims against Shutz.

The petitioners state they are of the opinion that "serious and unnecessary losses" will result to all concerned if the sale is permitted. By reason of the governmental regulations on travel, the most valuable part of the property—the inn itself—will most likely go at a sacrifice because persons normally interested in purchasing it are not now considering the matter, the petitioners contend.

It is further claimed that the inn—with 69 guests claimed to be paying \$132 a day—is now on an "extremely profitable basis." If the inn were actually operated without the services of two watchmen at \$35 per week each, the judgment of Charles Bittinger, first lien holder "could be liquidated in a short time." Bittinger holds claims of more than \$30,000 against Shutz.

Ask Postponement

The petitioners state further that "it has been reported" to them that a large majority of the creditors, both secured and unsecured, are willing to have all profits from the inn's operation paid to Mr. Bittinger so that his claim could be reduced annually. The signers of the paper further aver that a majority of the creditors will defer their own claims for payment until Mr. Bittinger is paid and also are ready to post security to indemnify Bittinger against any loss or expense as a result of the operation of the proposed plan involving postponement of the sale. They ask a postponement of the sale for at least 60 days to allow a new meeting of the creditors.

In the Littlestown National bank letter, the institution's president points out the bank has a "substantial interest" in the matter and that "it is our considered opinion" that the sale will result in the hardships the petitioners point out.

Stonesifer writes further that "at present the hotel is receiving revenue which, if properly expended, would undoubtedly satisfy all creditors within a reasonable length of time."

Secured claims against Shutz total about \$145,000 while unsecured claims amount to about \$20,000.

Banks Lead In Bond Buying

Bank subscriptions to new Treasury department security offerings continued to set the pace of war bond buying in Adams county from November 30 through December 31, according to a report today from the Third Federal Reserve district.

According to the Reserve district's report sales in Adams county totaled \$1,114,300 with Adams county banks subscribing to \$865,000 worth of one and three-quarters per cent Treasury bonds of 1948 and the seven-eighths per cent certificates of indebtedness of "E" bonds, 1943 issue.

One hundred and thirty thousand dollars worth of two and one-half per cent Victory bonds of 1968, \$222,100 worth of F and G Savings bonds and \$5,000 worth of the seven-eighths per cent certificates were reported from this county during the same period, the Reserve district reported.

Group Will Help Army Recreation Work In District

Dr. J. Walter Coleman, new chairman of the camp and hospital service council for the Adams county chapter of the Red Cross; Mrs. E. S. Lewars, chapter chairman; Mrs. LeRoy H. Winebrenner, production chairman, and Miss Margaret McMillan, executive secretary, conferred with Red Cross representatives from a 14-chapter area at Carlisle, Wednesday.

Duties of the council which covers this section of Pennsylvania and Washington and Frederick counties in Maryland will include securing recreational supplies, athletic and other equipment for Army camps and hospitals in this area. Day rooms for the patients will be equipped by contributions from chapters and distributed through the Red Cross field director at Carlisle Barracks.

Doctor Coleman, who is engaged in forming a county-wide committee, said that organizations and individuals throughout the county will be asked to work with the county chapter in securing the camp and hospital requirements.

BIGLER BOARD WILL CONSIDER NEW CURRICULA

The Biglerville school board will meet in special session Friday evening to plan ways and means for changing the high school curricula to conform to requirements of the state made necessary by the war program.

It has been requested that emphasis be placed on the mathematics and science courses instead of English. Prof. L. V. Stock says that this does not mean that English courses will be dropped. Instead it will be arranged so that classes may be grouped together for instruction. Also, with the approval of the board, more attention will be paid to the functional grammar of the classes and less to literature.

Change Courses

The board will also discuss the advisability of giving courses in physics and chemistry each year. Heretofore, the courses were alternated.

The state also requires that four periods of one hour each be devoted to physical instruction each week. If possible this system will be applied to the 10th, 11th and 12th grades but in case this cannot be done, the change will be applied to the 12th grade. Previously, each student was required to take two hours' training. The work will be done under the direction of Ellis M. Cracken, head of the physical education department of the school.

Final action will be taken on these recommendations by the board Friday night.

FIREMEN HAVE \$4000 IN FUNDS

The Gettysburg Fire company has a total of \$3,999.16 in its general and special funds, it was disclosed Wednesday evening at the monthly meeting of the company when the annual report of the auditing committee was presented by D. C. Stallsmith, chairman.

Special parties at the engine house before Christmas netted the company \$474.83. Emory Strausbaugh, chairman of the party committee, reported.

The company named George D. March and George Bender to arrange for the cooperation of the local company in the Red Cross blood donor program outlined at the meeting by Radford Lippy, Red Cross Blood Donor Service chairman.

The firemen directed D. C. Stallsmith to go before the borough council to ask that the firemen's meeting room in the engine house be cleaned and painted. Three members of the company, Robert Gilbert, Robert Shriver and E. A. Deatrack, were dropped from the rolls.

President James B. Aumen presided at the meeting with 40 present.

MARRIAGE LICENSE

A marriage license was issued here Wednesday to Glenn Patterson Hofs, son of Mr. and Mrs. Abram Hofs, Gettysburg R. 5, and Miss Virginia Odella Boyd, daughter of Mr. and Mrs. Mervin A. Boyd, Gettysburg R. 1.

Rescued By Girl Mail Carrier

In Old Forge, N. Y., Timothy Marsh, 79, a resident of Cranford, N. J., talks with his rescuer, Anne Gibbs, 18, a mail carrier. She became alarmed when his mail accumulated in a post box near a highway so she hiked to his Adirondack mountain vacation camp. There she found that he had been snowbound for three weeks and that his food was almost gone. The girl brought him out on an improvised toboggan.

LOCAL SAILOR IS 'PRESUMED LOST'

Robert C. Tipton, aged about 28 years, formerly of Gettysburg, a sailor in the merchant marine, is "presumably lost at sea," his wife in York has been notified by the government. The form letter she received Wednesday simply stated that the ship on which Tipton was serving has been "lost at sea."

Tipton, who volunteered several months ago for the merchant marine service, was born in Gettysburg and attended the public schools here. Before entering service he operated an electric refrigerator repair service in York.

Mrs. Tipton is the former Miss Belva Deardorff, of Orrtanna. The couple has two daughters, one an infant of less than a year.

Mr. Tipton was a nephew of Robert E. Tipton, East Middle street.

Scout Dinner In York January 26

The annual meeting of the York-Adams area council of the Boy Scouts and the area Court of Honor will be combined in a dinner session to be held January 26 at 7 p. m. at St. Paul's Lutheran church, York. A turkey supper will be served. January 22 is the deadline for reservations.

Officers will be elected for the year at the meeting to which scouts, cubbers and their wives and friends have been invited.

Mummasburg Mutual Re-Elects Officers For '43

Officers were re-elected at the 84th annual policy holders' meeting of the Mummasburg Mutual Fire Protection society here Wednesday evening.

Those named were: President, W. G. Durboraw, Gettysburg; vice president, H. G. Deatrack, Gettysburg; treasurer, L. U. Collins, Gettysburg R. D. and secretary, H. W. Knouse, Bendersville. Directors chosen were J. R. Hartman, Hampton; D. R. Stoops, Gettysburg, representing the Fairfield district; J. R. Rinebold, Littlestown; John W. Bream, Orrtanna; C. F. Myers, Gettysburg R. D.; G. Vance Stitzel, Gardners R. D.; Cameron L. Hoffman, Arendtsville, and Claude S. Straley, New Oxford.

HOSPITAL REPORT

Mrs. Lewis McClain, Fairfield; Mrs. Victor Kelly, Emmitsburg; Mrs. Walter Yealy, Taneytown, and John D. Wolf, Biglerville R. 1, have been admitted as patients to the Warner hospital. There were no discharges.

January clearance starts tomorrow, house-coats, corduroys and wools. Helen-Kay Shop, Chambersburg Street.

PROF. WARTHEN TELLS WOMEN OF PROPAGANDA

Professor G. S. Warthen, of the English department at Gettysburg college, was the speaker at the regular meeting of the Woman's club of Gettysburg, which was held Wednesday afternoon at the YWCA building. His subject was "Education by Propaganda." Special music formed a part of the program and there was a business session. The president, Mrs. A. H. Barr, presided.

The program opened with the singing of "America" led by Mrs. Raymond Sheely with Mrs. Paul Kinsey at the piano. Mrs. Ralph R. Gresh gave the prayer for the day and then Mrs. Carl Oyler led in the salute to the flag.

Committee Reports Given

Mrs. Ralph Z. Oyler, welfare chairman, reported her committee had worked in cooperation with the county nurses and had used \$10 to help spread Christmas cheer during the holiday season. Mrs. Henry T. Bream, chairman of the Victory committee, presented her report and asked the club members to cooperate in the silk and nylon salvage plan and in the collection of tin cans.

Mrs. Samuel Reed, Mrs. Wilbur Baker and Mrs. F. B. Bryson were announced as the club's representatives to assist in the recruiting of WAACs in this community.

Mrs. Edward J. Oliver gave an impromptu talk on Alaska, where she spent some time while her husband was stationed at a U. S. Army post there.

Miss Laura Jane Byers played several piano selections and explained each number before playing it. She also spoke of the period of impressionism in music. She played Bach's "Fugue in C Minor"; Zeckwer's "In a Boat"; Sinding's "Rustle of Spring"; Debussy's "Moonlight," and three unnamed waltzes of her own composition.

Explains Origin of Propaganda

Mrs. Barr presented Professor Warthen, who explained the origin and early uses of the word "propaganda," and observed that up to 10 years ago the term was used in an unfavorable light. Then the Germans named a minister of propaganda and now our own country is making use of propaganda through its editorial board.

He mentioned the uses made of propaganda by the radio and motion picture industries and then stressed the importance of individual ability to interpret facts in spite of the fact that propaganda works on the emotions and sympathies. "Theoretically the principle of propaganda is wrong" for people should be taught how to think and reach their own conclusions logically rather than being swayed by appeals to their emotions or prejudices, Professor Warthen said. A question period followed the address. The program closed with the singing of "The Star Spangled Banner."

After the meeting it was announced that the war bond and stamp booth at the meeting had sold two \$25 bonds and \$14.90 in war (Please Turn to Page 7)

J. W. GUISE, 67, EXPIRES TODAY

John W. Guise, 67, a retired farmer, died this morning at 5:30 o'clock at the home of his daughter, Mrs. Ruth Forney, 309 Chestnut street, Mt. Holly Springs, from a complication of diseases. He had been in ill health for a number of years and was bedfast six months.

The deceased was born and lived most of his life in Adams county, a son of the late Abraham and Anna (Hollinger) Guise. For the last six months he lived with his daughter. He was a member of Bender's Lutheran church.

Surviving are his widow, the former Rozella Bream; two daughters, Mrs. Forney, and Cleora Guise, Gettysburg; four grandchildren; one great-grandchild; three brothers, Conrad, Biglerville R. D.; Nevin and Harry, of York, and one sister, Mrs. Mervin Becker, Indiana.

Funeral services from the Routsong funeral home, Bendersville, Saturday afternoon at 1:30 o'clock conducted by the Rev. H. W. Sternat. Interment in the Upper Bermudian church cemetery.

Friends may call at the funeral home Friday from 7 to 9 p. m.

Entire stock of children's felt hats marked at half price. Tot Shoppe, York Street.

New Gas Rule Hits B-C Units

Washington, Jan. 14 (AP)—The Office of Price Administration made it tougher today for B and C gasoline ration book holders in the east to get increased allowances.

B and C coupons were cut 25 per cent in the 17 state shortage area recently, and OPA today took out of the hands of local ration boards the decision as to whether these classes of drivers could get more coupons to compensate them for the reduction in the value of their coupons from four to three gallons apiece.

Hereafter, local boards in the east must refer requests of B and C drivers for more gasoline to the nearest district, state or regional office of the Office of Price Administration.

These offices were instructed not to give more gasoline unless the 25 per cent reduction is causing the driver "extreme hardship."

BULLETINS

Washington, Jan. 14 (AP)—Motor torpedo boats, dashing into battle against Japanese destroyers, damaged two and possibly a third enemy destroyer off Guadalcanal, the Navy reported today.

Washington, Jan. 14 (AP)—The War Labor Board today called a public hearing for tomorrow on the anthracite strike and asked union leaders and operators to attend.

Philadelphia, Jan. 14 (AP)—A safety pin was removed today from the throat of 10-month-old Judith Schand Wing who was rushed to the Chevalier Jackson Bronchoscopic clinic here last night by a transcontinental airliner that went off its course to pick her up. Physicians pronounced the child's condition as satisfactory.

Harrisburg, Jan. 14 (AP)—A union official was held in contempt of court today and sentenced to 30 days imprisonment for refusal to turn over records of his organization to a federal grand jury investigating construction of the \$40,000,000 naval supply base at nearby Mechanicsburg.

MAN STRICKEN IN CAR DIES; RHS EMPLOYEE

Burton W. Sherburne, aged about 50, Camp Hill, an investigator for the Rural Rehabilitation service, died about 5:45 o'clock Wednesday evening at the Warner hospital a few minutes after he reached the institution. The man was found unconscious in his auto which was parked along the Biglerville highway at the western edge of East Berlin.

State motor police were called to East Berlin about 4:40 o'clock, Wednesday afternoon, by residents who reported a man had been lying in his car at the edge of that town since noon and could not be aroused.

Corporal Earl Moore and Private R. W. Wagner of the local substation went to the scene but were unable to arouse the man who was lying on the front seat. They called Dr. Roy E. Smith, East Berlin, who examined the man. He was then brought to the Warner hospital by the officers. The police said Sherburne apparently had been taken ill and had stopped his machine and turned off the motor before he became unconscious.

Cerebral Hemorrhage

Identification was made by papers in his pockets and a teletype message was sent to Harrisburg police. It was learned that Mr. Sherburne had been under treatment for high blood pressure.

Dr. C. G. Crist, Adams county coroner, made an investigation and attributed death to a cerebral hemorrhage. The body was removed by Deatrack brothers, funeral directors, and later was removed by a Le-moyne undertaker. Sherburne's home formerly was in the New England states.

12 MORE CITIES CAPTURED IN ROSTOV PUSH

By ROGER D. GREENE
Associated Press War Editor

A new 50-mile retreat by Adolf Hitler's Caucasian armies was reported in Soviet dispatches today as the Russians crushed Nazi counterattacks and captured 12 more towns in their north-bound drive toward the great German base at Rostov.

Simultaneously, London heard a broadcast by the German news agency DNB admitting that Soviet tanks had broken the Axis main line in the Caucasus.

On the Stalingrad front, Russian shock troops battling to annihilate the remnants of 22 Nazi divisions trapped in the Don-Volga corridor reported they had killed 400 Germans, thrown back counterattacks and routed the invaders from 27 more dugouts and blockhouses.

A Reuters (British news agency) dispatch from Moscow said high German officers were now leaving the Stalingrad area by plane to escape the Soviet death trap.

Other Developments

High-lighting other developments in the global war, Britain's powerful new 1943 aerial offensive hit Germany overnight for the eighth time in 11 nights, following up a thunderous daylight assault yesterday on Nazi-occupied France and Holland.

London said the RAF's big bombers unloaded 100 tons of high explosives and incendiaries in the 12-minute night raid, striking at German war foundries in the Ruhr for the third night in a row.

Once again the RAF's main target was the battered city of Essen, home of the giant Krupp armament works. Four RAF bombers were listed as missing.

Other Allied aerial blows fell upon the Axis in North Africa, where squadrons of United Nations fliers rained havoc on the forward positions of Nazi Field Marshal Erwin Rommel's Africa corps and blasted Axis transport convoys in Tunisia and Tripolitania.

RED CROSS WAR QUOTA \$18,700

Adams county's goal for the 1943 War Fund campaign of the Red Cross is \$18,700.

That quota was assigned today by National Red Cross headquarters for the drive that opens March 1. Supplies already have been ordered by county chapter officials and preparations are being made to handle the drive along the same lines as the successful drive for \$13,000 which opened in December, 1941, and was closed last summer.

Pointing out that the new quota is about equal to the total sum raised in this county by the Red Cross in the regular 1941 Roll Call and the subsequent War Fund drive, Mrs. E. S. Lewars, chapter chairman, said today she is confident Adams countians will be able to raise the sum set as their share in the war relief program of the Red Cross.

A campaign chairman will be announced soon.

WOMEN TO HELP IN BOND SALE

A woman's organization embracing Gettysburg and thirteen communities in the county will be set up to help promote the sale of war bonds and stamps, E. W. Thomas, county chairman, announced today following a meeting this morning at the Hotel Gettysburg.

Miss Helen U. Loewen and Miss Wolliston, of the state war savings staff, attended the meeting and outlined plans of organization.

One woman will be selected from each of the thirteen county communities to form an organization in her community.

Mrs. A. Harrison Barr will be group chairman, representing Gettysburg, and Mrs. Henry T. Bream will be co-group chairman.

The women will help promote the sale of bonds and stamps among all fraternal and civic organizations, set up booths at convenient places easily available to the public and may assist in the payroll allotment plan. They may also be called upon to go into the various industries to promote bond and stamp sales.

A "Bomber campaign" is also being considered.

The organization will operate under the supervision of Chairman Thomas.

January clearance sale, exceptional values, Virginia Myers.

Radio service, Baker's Battery Service.

HITLER TO ROB ALL EUROPE TO BOLSTER ARMY

By GLENN BARR

Hitler is carrying on a gigantic, ruthless campaign to mobilize the economic resources of the entire continent, including labor, as part of his preparations for holding his fortress of Europe against the anticipated Allied blows of 1943. Daily it becomes more evident that the boast of the globular Goering—that the Germans will eat no matter who goes hungry—applies not to food alone but to all wealth and the means of producing wealth. Hitler will stop at nothing in this campaign; he will paperize all Europe if he has to get what he requires, for his war machine.

The Fuehrer's meeting with his stooge in charge of Rumania, Marshal Antonescu, announced by Berlin yesterday, was part of this campaign. One reason Antonescu was summoned to headquarters no doubt was to receive orders to put down the rising clamor against the spillage of so much Rumanian manpower into the eastern front. For that purpose Keitel and Zeitzler sat at the conference table. But probably the most important men there were Doctors Funk and Ciodius, whose function is to supply the wealth that keeps the armies going.

Oil and Grain

Just what Hitler requires of Rumania was not disclosed. Perhaps more oil or more grain. That retreat in the Caucasus, abandoning the bright hopes of 1942 of gathering in the oil of Grozny and Baku, poses a grave new fuel problem. The anticipated yield from the grain fields of the Ukraine has become a bigger question mark. The Germans may not even be in possession of those fields when next harvest time comes. Hitler may have demanded that Rumania, already sorely bled for the Russian war, contribute workers for the Reich's labor-hungry industries. Whatever he asked it was connected with his colossal economic mobilization.

Hitler's search for labor is made more desperate by the claims of his army on German manpower. A Stockholm dispatch reports today that a military commission is touring the Reich to comb out perhaps one or two million men hitherto rated unfit for military service. Heavy losses in Russia must be replaced, the demands of the second front already opened in the Mediterranean area and of the preparations against a third front in the west must be met. At the same time war industry must be expanded and accelerated to an unprecedented degree in the attempt to match the production of the United States, the British empire and Russia.

Squeezes All Europe

So Fritz Sauckel, the Fuehrer's commissioner for the drafting of labor, throws his dragnet over all Europe. Pierre Laval's latest shameful bargain with Hitler is said to provide for the sending of 400,000 more killed French workers to Germany. Sauckel is understood to have drawn some 700,000 men from the occupied Ukraine for German farms and industry. All the satellite and conquered lands are feeling increasing pressure to supply men, either as soldiers or workers in Germany and he is steadily approaching that goal.

This system is liable to strains and faults not found in the economy of free lands, but the Reich has developed methods for dealing with these of an undeniable effectiveness. It would be folly for the United Nations not to anticipate a greater German war output this year than ever before. U-boats still are being produced faster than we can destroy them; the Nazi aircraft industry continues to give the Allies a real contest in the race for new and better types; testimony from many fronts is that the German forces receive a steady flow of new, powerful, constantly improved weapons. Hitler's war machine no longer enjoys the terrible preponderance in trained manpower and weapons it held over all adversaries in 1940-41 but that is because of the rising might of those adversaries.

Essen Battered By 100 Tons Of Bombs

London, Jan. 14 (AP)—Essen, hard-hit home of the giant Krupp armament works, was battered by 100 tons of explosives and incendiaries last night in the RAF's third consecutive night attack on the industrial Ruhr valley, it was announced officially today.

The air ministry said four of the bombers which carried out the concentrated 12-minute downpour of destruction on the repeatedly-raided industrial center were lost.

Other parts of the Ruhr also were hit, but Essen was the main target, a communique declared.

German bombers attacked plants on the British southeast coast by daylight and set extensive fires at the city of Sunderland and in its shipyards by night, the Germans said.

British bombers let loose an average of eight and a third tons of explosives and fire bombs a minute in the blow at Essen.

It was the RAF's eighth attack on Germany in 11 nights.

Social Happenings

Phone Gettysburg 640 or Biglerville 8

"Guest in the House" will be discussed by Dr. Richard A. Arms in his theatre arts class at Gettysburg college this evening at 7:15 o'clock. The class meets in the Science hall.

A meeting of the executive committee of the Gettysburg chapter of the Daughters of the American Revolution will be held this evening at the home of the chapter's regent, Mrs. R. S. Saby, Carlisle street. Pvt. M. P. Hartzell, Jr., will address the group on the work of the WAACS.

Dr. Thomas L. Cline, head of the English department of Gettysburg college, will be the guest speaker at a meeting of the York chapter of the Woman's League of Gettysburg college Monday evening, January 25, at Trinity Lutheran church, York.

On January 27, Doctor Cline will address the Parent-Teachers' association of Hanover.

Mrs. Harold Beeson will entertain the members of the Culvert club Friday afternoon at her home on Barlow street.

Mrs. Howard F. Sheets entertained the members of the Tuesday Night Bridge club at the regular time this week at her home on East Lincoln avenue. The next meeting will be held in two weeks with Mrs. S. J. Poppay, Seminary avenue.

The Inter-Faculty club met Tuesday evening at the home of Dr. Ralph D. Helm. Dr. Carl C. Rasmussen, who was the speaker had as his subject "The Recurrence of World Views."

The club decided to omit the banquet this winter and to contribute the money which is used for the purpose each year to the Red Cross. The next meeting of the club will be on February 25 at Christ Lutheran church at which time an out-of-town guest speaker whose name will be announced later, will address the club.

Mr. and Mrs. John Shoop were visitors to Harrisburg, Wednesday.

The Saturday Night Reading club will meet this week with Dr. and Mrs. R. S. Saby, Carlisle street.

The Tampus club will meet Saturday evening at the home of Dr. and Mrs. Francis C. Mason, Chambersburg street. Dr. William Starr will be the reader.

Dr. Henry W. A. Hanson left Wednesday to attend the mid winter meeting of the executive board of the United Lutheran church in New York city.

Mr. and Mrs. William P. Myers and their son, Harper Myers, U.S.N., of Philadelphia, were recent guests of Mr. and Mrs. M. O. Rice, Baltimore street.

Mrs. S. B. Johnston, Springs avenue, was a visitor to York Tuesday.

Sherwood Young, of New York city, is expected Wednesday evening for a visit with his aunt, Mrs. George D. Stanley, Carlisle street.

Mrs. Wayne Keet who entertained members of the Tuesday Afternoon Bridge club at her home at the James Gettys hotel, had as additional guests Mrs. Guile W. Leffever, Miss Anna Cairns, Mrs. Robert Portenbaugh and Miss Anna Gilliland. The next meeting will be held in two weeks with Mrs. Mark K. Eckert, Springs avenue.

Mr. and Mrs. Mervin Tipton, of Baltimore, arrived Wednesday evening to visit with Mr. and Mrs. Jesse Snyder, South street.

Corporal Walter T. Dunbar, formerly of Gettysburg, now stationed at Camp Chaffee, Arkansas, visited friends in Gettysburg Wednesday during a 10-day leave from camp.

The Mary Gettys Rebekah lodge will hold special commemorative services in honor of Thomas Wilder, founder of Odd Fellowship in America, at its regular meeting this evening. A social will also be held.

3 County Youths Given FFA Honors

The degree of Keystone Farmer was awarded to Guy Tanager, York Springs, a Biglerville high school student, and to Paul Reaver, of Gettysburg high school, at the annual state meeting of the Future Farmers of America at Harrisburg. The boys were delegates to the meeting from Adams county and were the only boys from the county to qualify for the honorary degree this year.

Donald Pitzer, Arendtsville high school, was awarded a bronze medal for ranking third in Pennsylvania in a hog fattening project conducted in connection with his vocational agriculture work.

Richard C. Lighter, county vocational agriculture adviser, and Cecil R. Snyder, Biglerville vocational "ag" instructor, accompanied the two delegates to Harrisburg.

FILES ESTATE BOND

The administration bond in the estate of the late William M. Eckert, late of Gettysburg, has been filed at the court house by the Gettysburg National bank, the administrator.

Wedding

McCleef-Redding

Miss Mary Annabelle Redding, daughter of Mr. and Mrs. Leo L. Redding, Gettysburg R. 2, and William R. McCleef, of Orrtanna R. 1, were married at 9 o'clock this morning at a nuptial mass in St. Francis Xavier Catholic church by the Rev. Fr. Mark E. Stock.

They were attended by Miss Betty Sharrah, a cousin of the bridegroom, and LeRoy Redding, a brother of the bride. Members of the families and close friends also witnessed the ceremony.

Miss Redding was attired in a soldier blue suit with rust colored accessories and yellow rosebuds. The bridesmaid wore a light brown suit with dark brown accessories.

A wedding breakfast was served by the bride's parents with members of the families in attendance.

After a short trip, Mr. and Mrs. McCleef will reside in their newly furnished home at Orrtanna R. 1. Miss Sharrah and Mr. Redding were presented a string of pearls and a wallet respectively.

WILL REVIEW NAVAL ACTION FOR PUBLICITY

Washington, Jan. 14 (AP)—Anxious to give the public all information possible within the bounds of military security, the House Naval committee decided to undertake today a broad review of American sea warfare since Pearl Harbor.

Chairman Vinson (D-Ga.) reported that the inquiry would be under way with Vice Admiral F. H. Horne, vice chief of Naval operations, called as the first witness.

Horne's testimony was expected to lay a broad foundation for a continuing study which will cover almost every phase of the Naval program, from the training of Waves to the battleship - versus-carrier argument.

Closed Session

The first session will be held behind closed doors. Vinson said details of Naval strategy could not be disclosed for obvious reasons, but that Horne—after the meeting—would make public a statement covering in general terms as much of his testimony as deemed safe.

While much of their testimony will be offered in public, Vinson said that others who—like Horne—talked "off the record" would also release as much as possible of their information in the form of statements.

Vinson indicated that one part of the hearing would be devoted to determining what has been done by the Navy toward replacing men with WAVES "so that these fighting men now holding down desk jobs can go to sea and do some fighting."

Many Queries

Other committee members said that they would inquire into such questions as these:

1. What strides have been made in combating the submarine menace?
2. How close is the coordination on the Navy and other armed forces?
3. How great a menace is the outpost established by the Japanese on the Aleutians, and what is being done to oust them?
4. What steps have been taken in developing the Navy's air arm?
5. What does the Navy need chiefly in the way of new ships or new legislation?
6. Have recent engagements demonstrated that Fleet type plane carriers are too vulnerable to air attack?

Rush Baby With Pin In Throat To Memorial Clinic

Philadelphia, Jan. 14 (AP)—A specialist was ready to operate today on Judith Schand Wing, 10 months old, who swallowed a safety pin and thus induced a transcontinental airliner to go off its regular route to get her to the famed Jackson Memorial bronchoscopic clinic here.

The child and her parents, Mr. and Mrs. George Sherman Wing, Jr., of Cleveland, boarded the San Francisco-to-New York United Airlines' plane last night at Youngstown, O., where they had been visiting and arrived soon after. Neither Youngstown nor Philadelphia are on the ship's usual route.

A waiting taxi sped them to the clinic office of Dr. Louis H. Clerf, nationally known bronchoscopist, to whom the Wings were referred. Attendants would make no comment on the child's condition, and it was not learned how soon the operation would be performed.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Victor Kelly, Emmitsburg, announce the birth of a daughter, Barbara Ann, at the Warner hospital Wednesday evening.

EDUCATOR IS ILL

Robert A. Bream, assistant county superintendent of schools, is confined by illness to his home along the Lincolnway east.

GERMANY DIGS INTO RESERVES FOR MORE MEN

By EDWIN SHANKE

Stockholm, Jan. 14 (AP)—Faced with mounting casualties and growing demands on new fronts, the Germans are making a stern effort to mobilize every available reserve by mustering into the Army men previously rejected for military service, reliable diplomatic sources said today.

A commission of high German Army officers, these sources declared, is touring the Reich to comb out the last of the nation's manpower—men previously pronounced unfit for active service for slight disabilities but who could be used as garrison troops in occupied countries or for desk work, thus releasing more able-bodied men for the front.

The Germans were said by these sources, who may not be named, to be counting on this program to yield another 2,000,000 men for the Army.

Will Affect Labor

Observers pointed out, however, that the induction of these men into the armed forces would confront Labor Dictator Fritz Sauckel—already hard-pressed to find trained workers for important war industries—with a gigantic task of finding replacements in occupied lands.

Meanwhile reports in German newspapers and dispatches from Swedish correspondents in Berlin indicate that conditions are becoming harder from day to day for the people on the German home front.

Shortages are being felt more keenly in every line. While new clothing ration cards are being issued, the German press has warned the public to use them sparingly, and it will be possible to purchase a new suit only in case of "urgent necessity."

In order to save power and raw materials, cloth hereafter will be manufactured only in standard colors, with the number of shades available reduced from several hundred to between three and 10 for men's wear and 30 for women's. Shoes also have been standardized and now are purchasable only with a special permit obtained from rationing boards.

Planes Unchallenged By Jap Aircraft

Somewhere in New Guinea, Jan. 13 (Delayed AP)—Billy Mitchell medium bombers and Douglas Havoc attack planes swept low over enemy positions at Lae and Sandanda Point today but the Japs just wouldn't come out and play.

Light antiaircraft fire greeted the Mitchells, which centered their attention on Lae, but no Zeros rose to intercept the raiders at either place.

Fire Fatal To 5 Children, Woman

Houston, Tex., Jan. 14 (AP)—Five children, ranging in age from eight months to five years, and a woman were burned to death in a blaze which gutted a four apartment two story frame building.

Two of the children, eight months and two years old, were those of Mr. and Mrs. M. F. Goforth. Goforth, a shipyard worker, was at work when the fire broke out. The other dead had not been identified early today.

Mrs. Goforth was in a hospital suffering from third degree burns. Ted Fields, head of the Harris county Emergency Corps, said Mrs. Goforth jumped from the second floor with her clothing afire, crying, "my babies, my babies!"

Justice of the Peace Tom Maes said he believed other persons occupying the second floor of the building might have died in the fire.

ACCEPTED IN WAACS

Miss Gladys Kress, Littlestown, is the sixth Adams county woman to be accepted for service in the Women's Auxiliary Army corps. It was announced at Harrisburg that she has passed the mental and physical tests and is awaiting her call to active duty.

Upper Communities

A class for adults who wish to take a course in typewriting is being started at Biglerville high school under the direction of Dale Smith, head of the commercial department. The first meeting will be held Monday evening at 7 o'clock in room 8 at which time the time for future meetings will be decided. Any interested persons are urged to attend.

The OTT club will meet Friday evening with Mrs. Lloyd Kleinfelder, of Biglerville.

Kenneth Myers, of near York Springs, a member of the senior class at the Biglerville high school, has enrolled as a student at Pennsylvania State college to study electrical engineering. He began his studies this week.

Mr. and Mrs. William P. Myers and son, Harper Myers, of Philadelphia, were recent guests of Mr. and Mrs. Harvey W. Knouse, of Bendersville. Harper Myers is a third class yeoman in the United States Navy.

Mr. and Mrs. Robert D. Peters entertained at dinner Sunday at their home in Bendersville.

Donald Slaybaugh, of Center Mills, a student at the Biglerville high school, has enlisted in the U. S. Navy and after passing a physical examination, will be inducted on January 16. Donald Starry, Heidlersburg road, and John Flury, of Biglerville, are also waiting for their physical examination which will be given before their induction into the Navy. They are also students at the Biglerville high school.

Paul Fetters expects to be inducted into the Marines.

Because of transportation difficulties, the Biglerville school party which was scheduled for Friday evening, has been indefinitely postponed.

Both members of a team of two men scheduled to serve on a shift of the air raid warning service at Biglerville have been confined to their homes because of injuries received recently. Harry Funt sustained a fractured rib and Glenn Rider a broken ankle.

Mr. and Mrs. Bruce Burtner, of Hershey, accompanied by their son, Roger, spent the week-end with their parents, Mr. and Mrs. L. A. Burtner, of Aspers, and Mr. and Mrs. Harvey F. Quigle, of Bendersville.

Gerald Smallwood, of Biglerville, spent the day in Philadelphia.

Mr. and Mrs. Harry Eckert have bought and will operate the store at Guernsey instead of Mr. and Mrs. Shank as stated in Tuesday's paper.

Mrs. I. N. Ripley, of Aspers, returned Wednesday evening from a short visit with her sister, Mrs. Robert Wright, of Harrisburg.

Mrs. Leroy G. Lady entertained the Bridgettes Wednesday evening at her home in Biglerville. The next meeting will be held in two weeks at the home of Mrs. L. Musselman Arnold.

Ensign Jack Yohe, of the Naval training station at Chelsea, Massachusetts, and Mrs. Yohe, will arrive this evening for a visit of several days with Mr. and Mrs. Willis H. Lady, of Biglerville.

C. O. Dunbar and Nelson Shaulis of the Arendtsville staff of the Pennsylvania State college research laboratory, are attending the meetings of Pennsylvania Farmers in Harrisburg. Harold Steiner, also of the laboratory staff was in attendance Tuesday.

GETS JAIL SENTENCE

William S. Cook, 24, Gettysburg, was arraigned in York police court Wednesday on charges of drunkenness and disorderly conduct. He admitted the charges of drunkenness and Mrs. Evelyn Holler, York, gave testimony as to his disorderly conduct. Mrs. Holler was the complainant in the case. He was committed to jail for 30 days.

James Awarded Bucknell Degree

Lewisburg, Pa., Jan. 14 (AP)—Bucknell university today conferred the honorary degree of doctor of laws upon retiring Governor Arthur H. James in recognition of "his major contributions to the American way of life."

The degree was presented by Dr. Arnaud C. Marts, president of Bucknell and director of the state Council of Defense in Governor James' official family.

Dr. W. H. Coleman, of the Bucknell faculty, presented James for the degree and cited the Governor's "courage, character, industry and perseverance."

President Marts praised James for his leadership during his term which ends January 19.

MINERS AGREE TO 6-DAY WEEK FOR MORE PAY

Pittsburgh, Jan. 14 (AP)—More than 75,000 soft coal miners in western Pennsylvania are permitted to work a six-day week under an agreement providing time and one-half pay or rate and one-half for the sixth day, signed yesterday by the Western Pennsylvania Coal Operators' association and the United Mine Workers of America.

The area, composed of union Districts 3, 4 and 5, is the first to acquiesce to Secretary of Interior Harold L. Ickes' request to speed up production of coal by increasing the present five-day, 35-hour week.

Miners in Allegheny, Westmoreland, Armstrong, Butler, Mercer, Lawrence, Beaver, Washington, Fayette and Greene counties are covered by the agreement, similar to the "Moses plan" adopted last month by the steel company-owned "captive" mines. They will receive from \$10 to \$20 more a week. The minimum pay now is \$7 a day, with tonnage workers making more.

The central Pennsylvania field remains unsigned.

Coal men here who declined to be quoted predicted other fields would follow the action of the western Pennsylvania field, thus placing a large portion of the nation's 600,000 bituminous miners on a six-day week basis.

Bird Takes Ride

Passengers on the early morning Reading company train from Gettysburg to Harrisburg had a lot of fun Wednesday morning—chasing a sparrow.

Somewhere along the line the sparrow darted through a door into one of the passenger coaches. Passenger after passenger arose in a vain effort to catch the little bird. Finally Conductor Mahlon P. Hartzell, of Gettysburg, decided to take a hand in the chase. It took Hartzell only a few minutes to collar the sparrow. When the train stopped at Bolling Springs Hartzell put the sparrow in the station.

Mother Arrested On School Count

Mrs. Elizabeth Hilty, West street, was arrested Wednesday evening by Chief of Police Glenn Gulise on a charge of allowing her daughter to be illegally absent from local public schools. The charge was brought by the local school attendance officer, Miss Catherine Wagman, and is the second laid against Mrs. Hilty in several months. A hearing will be held this afternoon at 1:30 o'clock before Justice of the Peace John H. Baschore.

BOARD AWAITS FORMS

Users of non-highway gasoline may use their present stamps until such a time as the local War Price and Rationing Board receives the proper forms for renewal of this type of gasoline ration. These forms will be mailed to users of non-highway gasoline when they are received at the local board, it was announced today.

Cal Welliver's Field Goal In Last Seconds Enables Bullets To Sink Navy

STAGE UPHILL FIGHT TO WIN 39-37 CONTEST

Held without a tally in the first eight minutes of play, Coach "Hen" Bream's unbeaten Gettysburg college cagers put on a driving finish to defeat Navy at Annapolis Wednesday afternoon after a thrilling battle 39-37.

It took a field goal by Cal Welliver in the last few seconds of play to give the Bullets victory.

The game was fast and hotly contested throughout. Seven times the lead changed hands and five times the score was deadlocked.

The Bream-men showed considerable improvement in play, particularly from the foul line from where they tallied 11 points in but 15 tries.

Navy Starts Fast
Navy started with a rush and piled up a 7-0 lead in the first eight minutes of play. The bullets then went on a scoring spree of their own and led by Vince Parnell, forged ahead 11-7.

A new team took the floor for the Navy at this stage of the game and managed to secure a 17-16 lead at half time. Early in the second half Lynch connected for two field goals to send the sailors ahead 24-16. Parnell then tallied a long shot and Welliver a foul toss. A foul and two goals by Lynch gave the home team its biggest lead of the evening at 29-19.

Coach Bream's lads then began to move and poured 11 straight points through the net to take a 36-29 advantage. Gettysburg held its one-point advantage until three minutes to go when Lindsley converted a pair of foul shots to send Navy ahead 37-36.

Win on "Sleeper"
Don Freedman then tied the score at 37-37 with but half a minute of play remaining and then Welliver tabbed a short shot on a sleeper play to give the Bullets a well-earned triumph.

Vince Parnell and Tony Yovicsin topped the Bullet scorers with 19 points apiece.

Parnell was knocked out cold in the last minutes of play and suffered a cut on the face when he hit the floor during a scrimmage. His injury is not serious. George Dracha finished the game with an injured finger.

Aberdeen Next
The Bullets will now be idle until Saturday, January 23, when the powerful Aberdeen Proving Grounds quintet comes here for a game.

The box score:

	G.	F.	Pts.
Navy			
Bowler, f	2	0-0	4
Rahn, f	2	0-0	4
Longnecker, f	0	1-1	1
Back, f	2	0-0	4

SPORT SHORTS

New York, Jan. 14 (AP)—Babe Ruth is going to celebrate his 49th birthday anniversary surrounded by many of his old pals. The former home run king, who opened a series of personal appearances in New York theaters yesterday to promote the government's scrap drive and war bond sales, purchased a ticket to the 20th annual baseball writers' dinner February 7, his birthday.

Chicago, Jan. 14 (AP)—The American league, taking inventory of baseball fines assessed in 1942, has concluded that times are very tough indeed.

"We didn't take in over \$500 in fines last season," said President Will Harridge, "and Jim Dykes (Chicago White Sox manager) contributed \$300 of that total."

He laughed and added "It's tough how tough times are getting."

Defiance, O., Jan. 14 (AP)—Defiance college's cagers rolled up a new season scoring mark in Ohio collegiate basketball circles last night in defeating Bluffton college 104 to 39, but there was nothing new about the performance for either Bluffton or Defiance.

The last time the two teams met a year ago Defiance defeated Bluffton by a score of 104 to 45.

SPORTS ROUNDUP

By HUGH FULLERTON, JR.
New York, Jan. 14 (AP)—The

other day the University of Illinois hockey team had to call off a game with Minnesota because it had only seven players available after they had met once. It also called off the rest of its schedule. . . . Gordon Gilmore of the St. Paul Dispatch provides further information that both teams wanted to let the Illinois freshmen so the second game could be played as an "exhibition" but the Western conference faculty representative said no because of the Big Ten freshman rule. . . . This, Gilmore points out, caused Minnesota to waste some 17,000 man miles of transportation. It also leads us to wonder what kind of trains were meant in those high-falootin' speeches "we've heard about the valuable 'training' offered by college athletics."

STAR REPORTER

Choc Hutcheson, sports editor of the Lubbock, Texas, Avalanche-Journal asked PFC Thad Ricks of the South Plains Army Flying School Public Relations office to find out something of the ability of the SPARS Golden Gloves boxers. . . . PFC Ricks, 140 pounds dripping wet, decided to interview each one with 16-ounce gloves. "I'm going to judge you on how hard you hit me," he told the first. . . . Next day PFC Ricks appeared in the sports sanctum with one black eye, one swollen cheek, one split lip and assorted bruises. . . . "We've got one lightweight that's pretty good," he mumbled. "I know that. But you'll have to take the coaches' word about the rest of them."

SPORTSMEN

After George Young, who works in the Liberty Aircraft plant at Farmingdale, Long Island, finished ninth in the National Individual Bowling tourney at Chicago, bowling interest at the plant picked up so much that 150 teams were in action. . . . Causing no little confusion in local fight circles is the fact that California Jackie Wilson, who meets Jake Lamotta Friday, isn't a native of California and isn't named Jackie. He's George Dudley Wilson, both in Spencer, North Carolina, and brought up in Cleveland. . . . And no matter what happens in the Chalky Wright-Joe Peralta fuss, it'll be a Mexican standoff. Both were born in Mexico. . . . When Montana university lost its second basketball coach of the season, the job was turned over to Eddie Chinske, Missoula high school coach. Chinske handles the high school team in the afternoon and the university at night, making him probably the only college coach with his own farm system.

SERVICE DEPT.

Capt. Herbert T. Merrill, one of the marines decorated for their feats at Midway, was a three-letter athlete at New Hampshire State college but his biggest day probably

HIGH COURTMEN MEET TROJANS FRIDAY NIGHT

A former candidate for the Gettysburg high school basketball team is expected to see action against the Maroons Friday night when the Forney-men clash with Chambersburg high on the Trojans' floor in the second Southern Pennsylvania Interscholastic league tilt for both teams.

Joe Howard, who last year was a member of the Maroon squad, has been one of the first-string subs for Chambersburg this season and is almost certain to play at least part of the game Friday evening.

So far the races in both the northern and southern divisions of the league have been running as predicted. Mechanicsburg and Shippenburg with veteran teams, are dominating play in the northern section and will battle it out for that division title.

Coach George Forney's Maroons, defending champions, and Hanover are pace-setters in the southern branch and at present the division champion seems certain to be one of the two teams.

Start at 6:55
Gettysburg will take no chances against the Trojans on Friday evening. For the last two seasons the Maroons had long winning streaks shattered on the Trojan court but that was when Lowell Schlichter had Job Stewart jumping center for his dribblers. Stewart is now a student at Mechanicsburg and his presence in the lineup has been one of the major factors of the teams perfect record of five straight.

In order that the Maroons may travel via bus to Chambersburg, the game will start at 6:55 o'clock. The squad will leave here at 4:55 o'clock and will return on a bus leaving Chambersburg at 8:21.

was when he hit a "five-bagger" for the Arlington, Massachusetts, high school baseball team. Herb hit a homer with the bases full but forgot to touch first so he had to put on a burst of speed to get one base. . . . In his football-playing days at West Point, Brig. Gen. Laverne Saunders, who has been leading those raids against the Japs in the Solomons, was a second-string tackle who helped lead the war for such noted runners as Light Horse Harry Wilson and Chris Cagle. . . . Those two basketball teams at the Jacksonville, Florida, Naval Air Station that had to practice without baskets are doing so well that their coach, Chief Specialist Bill Borchert, is crying for competition even louder than he cried for the iron hoops that seemed so important a few weeks ago.

TODAY'S GUEST STAR

Tommy Fitzgerald, Louisville Courier-Journal: "When the new food ration books come out, we'll give you six points and take Notre Dame."

Game Commission In Session Today

Harrisburg, Jan. 14 (AP)—Pennsylvania's Game commission, two members of which were named since Jan. 4 by Governor James, meets today for its last session before the present administration ends.

Although the commission's regular meeting ordinarily would be held Jan. 28, a highly placed official who declined to be quoted by name said this meeting was called to clear up pending matters.

Action on civil service for all commission employees was on the program, the same source explained, adding that at present only some employees are under that system.

The commission's new members are A. J. Hanes of St. Mary's, named Tuesday after A. W. Lee, Jr., of Clearfield, Pa., had announced he had been ousted, and Dr. C. E. Phillips of Sunbury, appointed Jan. 4.

Seth Gordon, executive director of the commission, is absent from the capitol on a physician's orders, his family reported.

TIGERS CLOSE 3-YR. PENANCE SET BY LANDIS

By WATSON SFOELSTRA

Detroit, Jan. 14 (AP)—The Detroit Tigers finally got out of Commissioner K. M. Landis' doghouse today after doing a three-year stretch for irregularities in farm operations.

That's what the judge called it on January 14, 1940, when he cracked down on the Tigers in a momentous decision unmatched in baseball annals that set 90 players free on any strings held by Detroit.

Furthermore, the white-maned commissioner fixed a three-year embargo on Detroit dealings with a dozen or more minor league affiliates involved in the decision and likewise prohibited the Tigers from making any passes at the emancipated talent. The time limit was up today.

Need Some Help

With Hank Greenberg and 17 others in the nation's service, the Tigers could use some reinforcement, and General Manager Jack Zeller would derive personal satisfaction from getting back some of the 90. But those still in the game are well sewed up.

"Ninety players, just think of it," Zeller said longingly. "Why, that's about three times as many players as we have available now. That's practically half a league by war standards."

Curiously, only two of the 90—Outfielder Roy Cullenbine of the Cleveland Indians and Pitcher Lloyd Dietz of the Pittsburgh Pirates—are currently in the big show. Several others, notably Benny McCoy of the Philadelphia Athletics, are in the armed forces.

Moreover most of the minor league clubs the judge took off Detroit's party line are not operating this season. The Tigers meanwhile have abandoned all farm operations.

Valued at \$500,000
Completion of Tiger penance in this celebrated case emphasizes once again that ivory development runs into important money. The 90 players in 1940 were valued by baseball sources at \$500,000.

For the cool half million, the Tigers would have reaped in due process McCoy, Cullenbine and Dietz, plus six others who hit major league rosters without large success. They are Steve Rachunok and Ed Albosta of the Brooklyn Dodgers, Dale Jones of the Philadelphia Phils, Bill Mueller of the Chicago White Sox, Paul Gillespie of the Chicago Cubs and John Sain of the Boston Braves.

Considering the additional costs that would have been involved, maybe the judge saved the Tigers a wad of money.

DiMaggio And Wife Are Reconciled; Yank Star To Enter U. S. Service

By AUSTIN BEALMEAR

New York, Jan. 14 (AP)—Baseball fans will get their usual quota of major league games during the 1943 season, unless present plans fall through, but they may have to tour the globe for a glimpse of their favorite stars.

The baseball world still was waving goodbye to Pete Reiser, the slugging center fielder of the Brooklyn Dodgers, yesterday when Joe DiMaggio, who operates in a similar capacity for the New York Yankees, decided to follow Pistol Pete into the armed forces.

There, in the service of their country, these two valuable performers who once were the batting crowns of their respective leagues will join such diamond greats as Enos Slaughter and Johnny Beasley, standouts of the last World Series, Ted Williams, Hank Greenberg, Bob Feller and dozens of others.

DiMaggio Is Next

His marital problems solved, DiMaggio announced in Reno, Nevada, where his wife had taken up residence for the usual reason, that "everything is straightened out," and "I'm going to try to get into the armed forces in the near future."

Reiser passed his physical examination in St. Louis earlier in the day and was accepted for service in the Army.

With Reiser, the Dodgers have sent 15 men into the service and are topped in that respect in the National league only by the Philadelphia Phils, who have watched 17 of their players march off to war.

In the American league, the Philadelphia Athletics and Chicago White Sox boast the largest service flags, each with 19 of their number in the

plus six others who hit major league rosters without large success. They are Steve Rachunok and Ed Albosta of the Brooklyn Dodgers, Dale Jones of the Philadelphia Phils, Bill Mueller of the Chicago White Sox, Paul Gillespie of the Chicago Cubs and John Sain of the Boston Braves.

Considering the additional costs that would have been involved, maybe the judge saved the Tigers a wad of money.

employ of Uncle Sam.
The latest count disclosed a total of 201 major leaguers now actually in the Army, Navy, Coast Guard or Marine Corps, 116 of them from the American league.

18 From Tigers

Pitchers Ted Lyons and Johnny Rigney are among the White Sox players wearing service uniforms. Others include Taft Wright, Bob Kennedy, Myril Hoag, Saw West and George Dickey. The Athletics' list is headed by Phil Marchildon, the pitcher who won 17 games last season with a cellar club.

Greenberg is one of 18 Detroit Tigers in fighting togs, along with Birdie Tebbetts, Charley Gehringer, Al Benton, Fred Hutchinson and Pat Mullin. The Cleveland Indians have lost 15 in addition to Feller and may lose Les Fleming before long.

The Washington Senators have seen 15 of their players March away, including Cecil Travis, Sid Hudson and Bruce Campbell. DiMaggio will be the 11th New York Yankee to go. He will join such former teammates as Red Ruffing, Phil Rizzuto and Tommy Henrich as well as his brother, Dominic, one of nine from the Boston Red Sox, who furnished Williams and Johnny Pesky. The St. Louis Browns have sent eight.

Pitchers Hugh Mulcahy, Frank Horst, Ike Pearson, Tommy Hughes and Lee Grissom head the Philadelphia Phils' list of 17. The Dodgers' list with pride to 14 who preceded Reiser, including Harry Lavagetto, Don Padgett, Lew Riggs, Herman Franks, Hugh Casey, Johnny Rizzo and Larry French.

In Defense Plants

The Chicago Cubs already have sent a dozen players, including Lou Stringer, Bob Sturgeon, Vern Olsen, John Schmitz and Bob Scheffing.

The New York Giants and Cincinnati Reds have lost 11 each. Hal Schumacher, Dave Koslo, Willard Marshall and Babe Young are the best known among the Giant losses, while the Reds' group includes their No. 1 catcher, Ray Lamanno.

Stu Martin and John Lanning are among the nine sent by the Pittsburgh Pirates.

The World Champion St. Louis

Wins Court Case By His Whiskers

Pittsburgh, Jan. 14 (AP)—A Russian miner won his case by more than one whisker yesterday when a criminal court jury found him innocent of a charge of assault and battery resulting from a fight with a fellow worker last September.

Mike Ezatoff, 55, showed the jury some of his chin whiskers he said Philip Okan, 61, the plaintiff, had pulled out in a quarrel in a Russian Orthodox cemetery.

Visiting Judge Jesse C. Long of Jefferson county suggested the two men shake hands and end their quarrel. Okan shook his head in a vigorous "no."

CANCEL CAGE GAME

Waynesburg, Pa., Jan. 14 (AP)—Transportation difficulties forced cancellation of the Waynesburg-West Virginia Wesleyan basketball game scheduled here tomorrow night.

STATE BEATS SYRACUSE

State College, Pa., Jan. 14 (AP)—Penn State's basketball team handed Syracuse its fifth defeat last night and posted a final score of 42 to 28. It was the Lion's fifth win in six games.

Cardinals have only five in the armed forces, including Slaughter and Beasley, but Terry Moore is a civilian instructor for the Army and won't be back. The Boston Braves have lost five also, including Sibby Sisti.

In addition, all the clubs have some players working in defense plants and they may not report for spring training, although the War Manpower commission won't hold them to their jobs in most cases.

ANNOUNCES COMMITTEE: William A. Miller, chairman of the public mass meeting held in the Court House, Thursday evening, in the interest of the erection of a community hall in Gettysburg, today announced the names of a committee to present definite plans for a hall before another community gathering within the next two weeks. Members of the committee are Samuel G. Spangler, Wilson A. Bream, J. Price Oyster, C. W. Rex, Frank Peckman and Henry Schartz.

Wed At Fairfield: On Wednesday evening at 7 o'clock at the Reformed church parsonage, Fairfield, the Rev. Walter C. Pugh united in marriage Miss Alice Helen McClellan and J. Walter Kugler.

The bride is a daughter of Mr. and Mrs. A. L. McClellan, of near Emmitsburg.

The bridegroom is the son of Mrs. Margaret Kugler, of near Fairfield. He has been engaged in teaching school in Adams county for the past nine years.

Celebrate Anniversary: George F. Eberhart has returned from Atlantic City, New Jersey, where he spent several days with his parents, Mr. and Mrs. Frank Eberhart, who on Sunday, January 7, celebrated their fiftieth wedding anniversary.

Give Cast For Play: Announcement of the cast of the athletic play to be given at the Lincoln Way Theatre February 8, was made by Miss Helen L. Cope this morning. The play to be given is "A Pull House." Students participating are John Miller, Geraldine Cashman, Jessica Weaver, Sarah Black, Frances Grindler, Frank Gardner, Harold Thomas, Clifford Bream, Charles Weaver, Ralph Wible, Wilbur Kappes, Mary Rife, Margaret Peters and Edith Smiley.

Sells Store: S. B. Gochenour has announced the sale of the stock and fixtures of his general store in Bendersville to H. W. Knouse, of that place. Mr. Gochenour announced that he would devote his time to other interests.

Little-Hockensmith: William Little, of Gettysburg, and Miss Marie Hockensmith, daughter of Mr. and Mrs. John Hockensmith, of Berlin Junction, were married Saturday evening in the rectory at New Oxford, by the Rev. J. D. Shanahan. The couple was attended by Miss Ethel Ziegler and Francis Stevens.

Today's Talk
By George Matthew Adams

BELIEF

I like to think of the Centre Source in a man as his Belief—for everyone else evolves about it. Without it we would be mere automations, idle wanderers, and like sheep ever ready to trust to the nearest call-bell.

Belief, however, dignifies a person, gives him a star in the heavens as his guide, and places him as a positive force in the world. A man has to believe in himself first, and then in what he evolves from his study, his observation, and his faith in a Superior Being.

We get into our automobile and we have Belief in its structure and in its ability to respond to our manipulations of its mechanism. We trust the engineer who guides the train in which we ride or the pilot who steers our ship through the big, and often dangerous, seas. It is our Belief that enables us to go with confidence about our daily life, and to aspire toward the goals of our ambition.

We go to a bank and deposit the resulting earnings of our days, or put them into the bonds of our country. Belief creates both national accord and national confidence. We feel that we are a part of everything in which we place this Belief.

Take the religious realm. By placing our Belief in God we invite this God into our hearts and we serve through him. Increasing Belief is what is forever changing this world. The inventor and scientist never stand still. Tomorrow's journey must be a little further on. There must be progress. Possibilities unfold as Belief grows and is made more mature.

It is this Belief that is giving to every soldier in our armies the incentive to carry on courageously. It is this Belief that waters the garden of all our hopes and all our dreams. It is from this Centre Source that everything in life worth while emanates, or comes to full fruition. It is the staff—this Belief—that gives to every leader his commanding confidence. He leans upon it—and it holds him steady and secure.

No high endeavor is possible without Belief in oneself, the objective of one's purpose, and the ultimate fulfillment of one's end.

Tomorrow Mr. Adams will talk on the subject: "Money"

Nine Indicted In Mechanicsburg Naval Depot Probe

AMOUNTS NOT INDICATED IN JURY FINDINGS

Harrisburg, Pa., Jan. 14 (AP)—Nine persons are under indictment today on charges brought in connection with the construction of the \$400,000 Naval supply depot at nearby Mechanicsburg.

The six indictments filed contain such charges as bribery, conspiracy to defraud, theft and extortion.

The indictments naming the civilians were returned by a Federal grand jury yesterday. Allen A. Doby, special assistant to Attorney General Biddle, said the loss caused by the crimes charged could not be estimated. Some of the counts involved property valued at less than \$50.

The indictments followed an inquiry which began shortly after U. S. Commissioner Sidney E. Friedman said there was "solid basis in fact" to reports that "wholesale theft, bribery and embezzlement" caused a shortage of equipment and material worth \$1,000,000.

Hint Long Probe

Doby explained the investigation is continuing and will not be completed for months. After hearing additional witnesses called for today, the jury planned adjournment until a later date.

One indictment charged Paul Louis Schlitz, and William J. Millard of Harrisburg and Guy Rupp and Walter H. Shaull of Mechanicsburg with conspiracy to defraud the United States.

Doby said Schlitz was employed by Brann and Stuart, Inc., of Philadelphia, the prime contractors, as equipment rental supervisors and assistant purchasing agent. Rupp and Shaull are in a partnership known as the Central Tractor and Equipment company of Lemoyne and Millard is a salesman for the latter concern.

The charge against Schlitz, Doby said, was recommending equipment rental from Central Tractor "without regard to the need" and receiving three per cent of all contracts awarded the concern by his employer. A payment of \$3,500 to Schlitz by the others was charged in the indictment.

"Collusive Bids"

The second indictment accused Theodore Roosevelt Potts, of Princeton, New Jersey, second vice president of Brann and Stuart and three alleged co-conspirators, who were not named defendants, with conspiring to defraud the government by submitting "false, fraudulent and collusive bids."

The jury said the co-conspirators, who face no charges, were Claude Roberson, riding stable operator at Princeton, Jack Spencer, of Trenton, New Jersey, and Howard Buckalew, of Hamilton, New Jersey. The indictment charged Roberson agreed to pay Potts \$3,000 on a subcontract of \$20,000 for the rental of horses.

Thomas Barrett, of Marietta, former master mechanic, was accused in a third indictment of three counts charging violation of the anti-kick-back law. He was accused of forcing employees receiving pay increases to give him part.

Accused of Theft

In another indictment, Barrett and Charles Hartline, of Harrisburg, general superintendent of utilities for the contractors, were accused of the theft of 60 pounds of sheet metal and 100 pounds of iron.

Martin S. Rutt, Jr., of Lemoyne, named in a sixth indictment in 11 counts, was accused of petty thefts at the depot ranging from 40 cents worth of nails to a \$650 lot of chains.

Another indictment charged Gilbert H. Flail, a civilian construction equipment inspector for the Navy, with seeking a bribe. The statute involved provides a maximum penalty on conviction of three years in prison and a fine determined by the amount of bribe alleged.

The jury in a presentment also charged that Jasper White of Philadelphia, assistant business agent of Local 542, AFL International Union of Operating Engineers, refused to turn over union records to the jury on the claim it might incriminate him and his organization.

The jury's presentment charged White's "conduct and attitude" was such as to hinder and prevent the investigation and "obstruct due process of the federal court."

Robert Fitzsimmons, New York attorney representing the union official, stated White acted on his advice adding "we are in no way trying to impede this investigation."

Doby did not say why the union records are needed.

YEP, IT'S ILLEGAL!

Topeka, Kas. (AP)—The soldier thought his divorce was granted last July, but he wrote Mrs. Leah B. Willcuts, district court clerk, just to make sure. "All I can say is it had better be granted for I went and got married again," he added. "If that divorce is no good, will you have a lawyer write me and tell me how to get out of this mess if there is a mess?" She wrote him that the divorce suit had been dismissed for lack of prosecution, and that there was a mess.

ROYALTIES

Kansas City (AP)—The Kansas City Public Service company, whose streetcars and buses are tinkling in \$1,000,000 a month, now has an extra 60 cents. A letter accompanying the gift explained: "I took six people downtown in my car and figure I beat you out of your fares, so am reimbursing you. . . ."

OH, A CRIMINAL

Denver (AP)—Police considered waiving prosecution after a thief surrendered a pair of pants he had stolen from a car—Then they found he also had 10 pounds of coffee. They booked him.

Income Tax

No. 10

CARE IN PREPARATION OF RETURN

A Federal income tax return is a report to the Government of one's taxable income for the year. It is a statement required by law of all single persons, and all married persons not living with husband or wife, whose gross income for the year amounted to \$500 or more, and of all married persons living with husband or wife throughout the taxable year, whose combined gross income for the year was \$1,200 or more.

It is no longer required that returns be sworn to, but the taxpayer must make a declaration on the return that it is made under the penalties of perjury.

Income tax returns are kept on file and, under certain conditions, are subject to inspection by State officials in connection with the determination of State income tax liability, as well as by other law enforcement officers.

After a return has been filed, it is checked for accuracy by the Internal Revenue Service, and the taxpayer may be subject to examination or inquiry relative to matters connected with the return, or his income, and he may be asked for further substantiation of statements made in the return.

It is important, therefore, that persons subject to the income tax prepare complete and accurate returns, as required, both in their own interest and in the interest of economy in the administration of the law. As an aid in accurate filing of returns, taxpayers should keep a record of income received during the year, and at the time of preparing a return they should carefully read the instructions accompanying the return form. Employees receiving Statements of Victory Tax Withheld should retain these receipts for evidence in supporting the claim for credit for Victory tax withheld.

Flashes of Life

INJURED IN LINE OF DUTY

New York (AP)—Patrolman Neidelman was assigned to put on his skates and make sure that no skaters were injured on the ice at Van Cortlandt Park lake. Onto the ice glided Neidelman. He collided with another skater, emerged with a broken nose.

BACK TALK

Syracuse, N. Y. (AP)—Patrolman Charles Dawson, answering a routine call at a home, knocked on the door and a voice said "Hello." He answered, and after this was repeated several times, the voice said "Come on in" but the door was locked. After a while he looked in a window. He had conversed 15 minutes with a parrot, he said.

YEP, IT'S ILLEGAL!

Topeka, Kas. (AP)—The soldier thought his divorce was granted last July, but he wrote Mrs. Leah B. Willcuts, district court clerk, just to make sure. MARTIN PICKS 9 FOR CABINET; ASKS TAX CUT

Harrisburg, Jan. 14 (AP)—Governor-elect Edward Martin held out the prospect of at least a \$26-700,000 tax cut and appointed nine additional members of his cabinet as he continued preparations today for assuming office next week.

He said he would ask the general assembly "that they do not re-enact the state four mill personal property tax" which in the current biennium is expected to bring in \$26-700,000 in revenue. This, he added, would be his "No. 1 tax recommendation" to the Legislature.

Martin's suggestion will leave the four mill tax paid to counties untouched.

With only three others to be

named "within a few days," Martin made these additional cabinet appointments:

Secretary of Banking—William C. Freeman, Cornwall, Lebanon county, succeeding John C. Bell, Jr., elected lieutenant governor, \$10,000 salary. Freeman is a former state senator, member of the family which once owned the Cornwall iron ore mines, and is president of the Lebanon County Trust company's board of directors.

Budget Secretary—Dr. Edward B. Logan, Delaware county, now secretary of revenue, succeeding William A. Sponsler, III, \$8,000.

Secretary of Highways—John U. Shroyer, Shamokin, manufacturer, succeeding I. Lamont Hughes, \$12,000.

Insurance Commissioner—Gregg L. Neel, Pittsburgh, succeeding acting Commissioner Ralph H. Alexander, \$10,000. Neel, a real estate man, managed Martin's campaign in Allegheny county.

Attorney General—James H. Duff, Pittsburgh, succeeding E. Russell Shockley, \$12,000. Duff is a Pitts-

burgh attorney who has been active in Republican politics.

Secretary of Labor and Industry—William H. Chesnut, Philadelphia, succeeding Lewis G. Hines, \$10,000. Chesnut, a veteran state employee, has served as head of the Workmen's Compensation bureau.

Commissioner of Pennsylvania Motor Police—Lieut. Col. C. M. Wilhelm, Dauphin county, present deputy commissioner, succeeding Col. Lynn G. Adams, \$8,000.

Secretary of Property and Supplies—Chester M. Woolworth, Lancaster, manufacturer, succeeding James F. Torrance, \$10,000.

Secretary of Public Assistance—Samuel Y. Ramage, III, Oil City hotelman, succeeding Howard L. Russell, \$10,000.

The three cabinet-rank posts remaining to be filled are those of Secretary of Commerce, Secretary of Forests and Waters and Secretary of Mines.

Three of the new appointees—Logan, Wilhelm and Chesnut have served under retiring Governor James.

Babies Assured Of Evaporated Milk

Washington, Jan. 14 (AP)—Agriculture Department food distribution officials said today there was no reason for anxious parents to become concerned over supplies of evaporated milk for their babies.

Infants, they said, will be assured of ample supplies even if acute shortages should develop.

These officials, who asked that they not be quoted, said it is quite likely that consumer rationing of evaporated milk and butter will be ordered by Secretary Wickard as soon as the Office of Price Administration gets rationing of meats and canned and dried fruits and vegetables started.

The rationing would be designed to assure infants and other essential users of ample supplies and to conserve, during the season of heavy production, supplies which should be held over for next winter.

ADAMS LEAVES POLICE FORCE; LONG SERVICE

By RALPH E. WALLIS

Harrisburg, Jan. 14 (AP)—A hard-boiled cop, who built Pennsylvania's state police to fame rivaling that of Canada's celebrated Mounties, lost command of his beloved troopers today but expressed no regrets.

He is Col. Lynn G. Adams whose place as state police commissioner will be filled by Deputy C. M. Wilhelm. The two are the only members of the original force—organized in 1905—still in active service.

Governor-Elect Edward Martin, in announcing the change, made it clear it was not a political ouster. The incoming Governor who served with the veteran commissioner in the Philippines during the Spanish-American war, declared:

"I believe Adams is the best combined MP (military police) and G-2 (Army intelligence) man in the United States."

Adams commented that Colonel Wilhelm's appointment "was pleasing to me and I have a perfect understanding with General Martin." "I have been wanting to retire and now is my chance," he added. "I am satisfied."

Except for a time when he quit in 1938 during the Democratic Administration, Adams' record as a member of the force since 1905 and commissioner since 1920 has been unbroken.

He has been Pennsylvania's most unconfirmed official. When he was reappointed commissioner in 1939 as Governor Arthur H. James came into office, his name was never brought out of committee for confirmation in five legislative sessions because Democrats—holding the hand—withheld approval.

To Get New Job
"With the Senate feeling it did not want to confirm me I wasn't particularly anxious to stay on," declared Adams. "I lived up to my principles and I paid the price—I am proud of my friends and my enemies."

"I was tired of being the most

Barge Confusion Program Delayed Asserts Senators

Washington, Jan. 14 (AP)—The Senate Defense Investigating committee charged today there had been "inexcusable" delay and confusion in carrying out a barge construction and conversion program designed to relieve the east coast's oil shortage.

"There was simply too much talk and not enough action," the committee said.

Recalling that President Roosevelt last spring appointed a committee to study the barge problem, the investigating group, which is headed by Senator Truman (D-Mo.), declared in an interim report:

"The committee believes that there has been unnecessary delay and confusion in carrying out a program essential to the national welfare. The delay which occurred prior to the recommendations of the committee appointed by the President is most regrettable, but the delay which occurred after the matter had been studied by that committee and after its recommendations had been received by the President is inexcusable."

RUBBER STRIKE ENDS

Pittsburgh, Jan. 14 (AP)—A two-day strike involving approximately 1,100 laborers at the Kobuta synthetic rubber plant was settled last night, the Koopers United company announced. Terms were not announced but Federal Conciliator Paul Heenan said the men agreed to return to work today while their demands for an increase in pay from a 75-80 cents an hour scale to 90 cents were mediated.

FATALLY BURNED

Pittsburgh, Jan. 14 (AP)—George R. Guthrie, 24, of Burgettstown, was fatally burned yesterday by gasoline which ignited after a Pittsburgh and West Virginia railroad train struck his truck at a grade crossing in suburban Bridgeville, the coroner's office reported.

unconfirmed man in the United States.

Martin indicated he will have a special job for the 62-year-old policeman later.

MARTIN REGIME TO PROFIT BY TIMBER SALES

Harrisburg, Jan. 14 (AP)—Pennsylvania's incoming administration—seeking ways to cut taxes—can count on \$600,000 in extra revenue from a huge timber-cutting program started more than a year ago by the Department of Forests and Waters.

"This administration will receive no financial benefit from this activity," Secretary G. Albert Stewart declared today. "The money has just started to come in and will help the new administration."

"The money is all velvet. We are selling the timber on the stump and our only expense is for inspection and that is being done by our regular field staff."

\$420,000 in Sales
More than 70,000,000 board feet of the 100,000,000 cutting program is already under contract and will bring in \$420,000 Stewart explained, adding that the remainder "soon" will be placed under contract.

He said the program was approved in September of 1941, at a conference of 30 foresters and officials of the Bureau of Forestry.

"We are only cutting down to certain dimensions which not only leaves a generous portion of under-

Friday Last Day To Get Book No. 1

Washington, Jan. 14 (AP)—Tomorrow is the last day for obtaining war ration book No. 1.

Calling attention to the deadline today, the Office of Price Administration said war ration book No. 2, which will be used for the point rationing of a variety of commodities, would be issued only to persons who hold book No. 1.

Book No. 1 now is used for sugar and coffee.

growth and second growth but by admitting the sunlight. Undergrowth so necessary to game and watershed protection is promoted," the official asserted.

Computations of foresters made from 300 sample plots in all parts of the state, Stewart said, show the 100,000,000 board feet up for sale are less than the "annual growth of timber in Pennsylvania forests."

He declared actual cutting got under way last March and estimated the minimum time for completion of the program at three years.

Average prices received per 1,000 board feet are: Pine, \$7.50; Hemlock, \$7; spruce, \$12; oak, \$6; sugar maple, \$13; wild black cherry, \$7; beech, \$6.85, and ash, \$25.

It's Patriotic To Keep Well

SKILLS WE NEED

By Wilda Camery, R.N.

The gap between available nursing service and the need for nursing services is great in our country. That's why so many American women have already responded to the call to become nurses' aides and are spending their free time supplementing professional nursing care in hospitals. Others, forced by home responsibilities to remain at home, realize their need for basic skills to be able to give adequate care during illness.

It demands more than a sympathetic heart and a willing pair of hands to give a bed bath, and to leave your patient rested and comfortable without having exhausted yourself. Even making a bed becomes a bit difficult when it has to remain smooth and free from wrinkles while a restless child occupies it 24 hours a day. Taking a temperature is not mastered by instinct. The best of cooks may find that preparing trays that appeal to the capricious appetite of an invalid has its difficulties, to say nothing of devising schemes by which to get necessary nourishment into the patient, who insists he can't swallow lying flat on his back.

A knowledge of other nursing measures, such as treating nose bleeds, insect bites and chilling;

and the ability to follow the doctor's orders correctly in administering medicines; giving ear irrigations, applying eye compresses; and doing simple dressings, add much to a mother's security and to her ability to meet the needs of her family. Even such a common comfort as hot water bottle has been known to cause severe complications when unwisely applied.

When life was simpler and hospital care less common, American women learned from each other. Today, in many communities public health nurses call in homes to give care during sickness and to teach mothers, but the public health nurse is not always available. The mother who has learned nothing about home nursing until the crisis of acute illness or injury occurs may find experience costly. We learn much from the printed page and spoken word, but many of the nursing skills can be learned only by observing and practicing. That is

To All Sufferers of These Ailments

RHEUMATISM
ARTHRITIS
NEURALGIA
CONSTIPATION
WEAK KIDNEYS

A Common Disease Generally Caused by Acid Condition in the Blood
A Rheumatic Condition Which Stiffens, Swells the Joints Causing Severe Pains
The Beginning of Arthritis; Starts With Pinching in the Muscles
The Source of Most Disorders; Mineral Deficiency in Our Foods, Often the Cause
Circles Under the Eyes, Gall Stones, Frequent Rising at Night

AN IDEAL HEALTHY COLON With BIO-MINERAL you can keep the colon clean and healthy eliminating accumulated poisonous matter.

BIO-MINERAL FOR BETTER HEALTH!

RHEUMATISM. Arthritis is a painful disease. It causes agony and misery. The cause, in general, is acid condition in the blood. The source of the cause often is mineral deficiency in the foods we eat. What is the remedy? ... For thousands of years, people regarded MINERALS as the best remedy for Rheumatism, Arthritis, Neuralgia, as well as diseases of the Stomach, Bladder and Kidneys. From ancient Greece, Egypt, Rome, China and India, down to the present day, year after year, people rush to the MINERAL SPRINGS for cure or relief.

THE BEST doctors, the most intelligent people, millionaires and laymen, kings and princes, when attacked by Rheumatism, Gall Stones, Stomach, Kidney or Bladder trouble, prefer to go to the Mineral Springs. In America we have the wonder Mineral Springs in Georgia, where our President goes. In France the Louvre and Aix Le Bains, and in Greece the very famous Springs of Thronion, where, according to the legend, Hercules, the God of Strength and Youth, drank and bathed to rejuvenate; to be forever young.

THE MIRACULOUS AID OF MINERALS

THE IMPORTANCE of Minerals for the good of our health is so widely recognized today that Doctors, Hospitals, Sanatoriums, Naturalists and Specialists, and the Government, urge the use of them. The warring nations bolster the health of their armed forces with minerals. Bakers enrich their flour with minerals and advertise it. In the press, in schools, in colleges, in churches, on the radio, everywhere, the cry is: MINERALS! ... MINERALS!

BIO-MINERAL is a Natural Mineral compound and contains the very same mineral ingredients of the world's best Mineral Springs. It comes from the depths of the earth—Nature's laboratory. Bottled as it comes from the ground, is the nearest thing to going to the Mineral Springs. One bottle may do wonders. Contains NO alcohol—NO harmful drugs—NO opiates—NO preservatives—NO oil. NOT A SINGLE habit-forming ingredient. ONLY Natural, Life-Giving Minerals, highly concentrated in solution in pure water.

BIO-MINERAL IS NATURE'S GIFT

ORDINARY cathartics are habit forming and never cure constipation. They force out the foods and digestive juices from your stomach and do not correct the cause of your trouble. If you suffer from Constipation, Gas-Toxins, Bloating, Weak Kidneys, etc., try a bottle of BIO-MINERAL. After 2 or 3 days, with your own eyes you may see wonderful results. BIO-MINERAL is not a physic and does not interfere with the natural foods in your stomach. It reaches down to the ROOT—to the cause of your trouble, eliminating abnormal waste material, cleaning and purifying your intestines thoroughly in a Natural, harmless and painless way.

WHEN the poisons are out of your system, when the kidneys are purified, when the gas-toxins and bloating no longer remain in your stomach to cause acid condition in the blood, then you begin to feel your Arthritis leaving you—your Rheumatism saying good-bye. Nature is assisted to complete the recovery. Wise people go to MINERAL SPRINGS, and BIO-MINERAL is Minerals that you get at the best Mineral Springs.

TRY BIO-MINERAL AT OUR EXPENSE

START TODAY on the DRUGLESS road to health with BIO-MINERAL. Try this drugless NATURAL "God-sent" remedy which is easy to take and absolutely harmless. In a few days you may feel like a new man or woman. Regardless of how long you have been suffering and how many medicines and drugs you tried before and did not help you. BIO-MINERAL may be the remedy you needed and were looking for. Try it at our expense! ... Nothing to lose. It is sold on a Money-Back Guarantee.

REMEMBER — It is your health that counts ... Not your wealth, age, looks or knowledge! If you want better health, TRY BIO-MINERAL. It may do wonders for you. It may UPROOT and drive your ailments OUT of your system. Make you feel better, eat better, sleep better, work better, really enjoy Life and eat anything you wish—even things you like and could not eat before. Try it today, it is really marvelous.

GUARANTEE WE WILL REFUND YOUR MONEY IN FULL IF YOU ARE NOT SATISFIED AFTER TRYING BIO-MINERAL FIVE DAYS!

YANKS DOWN 39 OUT OF FLIGHT OF 40 JAP SHIPS

Philadelphia, Jan. 14 (AP)—Forty Jap bombers swarmed over Guadalcanal and within a few minutes American dive bombers shot down 39.

A Navy flier streaked after "the other one, but an order was radioed: 'Don't shoot him down. Let him go back and tell the others.'

That's one of the stories brought back from the Pacific by Lieutenant Commander W. J. Widhelm of Humphrey, Neb., former commander of a scouting squadron which was one of the first to go into action against the Japs.

Widhelm came here with other survivors of the aircraft carrier Hornet. He is honeymooning now with his bride, the former Elizabeth Lord Cheney of Chicago, whom he married January 4.

\$200,000,000 Loss The 34-year-old flier, who won the Navy Cross for his part in the battle of Midway, had his plane shot down in the middle of the Jap fleet during the battle of Santa Cruz island in which the Hornet was lost.

"My plane sank in seconds after it hit water," he said. "But the rear gunner and I got out on a life raft. The entire Jap force steamed right past us. One time we had to paddle with our hands to avoid being run down by a destroyer."

He was rescued by one of his former flying students in a patrol plane.

From March to November, Widhelm figures, his squadron sank one battleship, two cruisers, four destroyers and four transports.

"We estimate that cost the Japs \$200,000,000," he said.

PROF. WARTHEN

(Continued from Page 1) stamps during the afternoon.

Hostesses for Meeting At one point in the program, the members paused in a moment of silence as an expression of their sympathy for one of the members, Mrs. J. E. Musselman, whose husband died Tuesday evening.

Hostesses for the meeting were Mrs. S. F. Snyder, Mrs. Paul Leedy, Mrs. J. T. Huddle, Mrs. Clyde Berger, Miss Margaret McMillan, Mrs. J. L. Barton, Mrs. Henry T. Bream, Mrs. John P. Rhoads and Mrs. Harold Becson.

Miss Bertha Paulsen, of the Lutheran Theological seminary faculty, is scheduled as the speaker at the next meeting of the club when Mrs. Dwight F. Putman will be the chairman of hostesses.

TRINITY BOARD

(Continued From Page 1)

ple who are in the United States service.

It was suggested that the church school year be changed to start October 1, 1943, instead of January 1, 1944, to conform with the promotion of the classes at that time and the beginning of the fall work.

This will be voted upon at the February meeting which will be held at the home of Mrs. Robert Snyder. In addition to those mentioned the following were present:

Mrs. Guyon E. Buehler, Mrs. Walter Snyder, John Hertz, James Moore, Miss Myrtle Sherry, Miss Ruth Spangler, Clarence Nuss, Mrs. Louise Hoffman and Mrs. Ray Kitzmiller.

Following the business session, refreshments were served.

DENIED NEW TRIAL

Pittsburgh, Jan. 14 (AP)—Ira L. and Thelma Hearn were denied a new trial yesterday in a suit against the city of Butler for damages in the death of their son, Edward, in an automobile accident on state highway route 422 July 9, 1940.

Federal Judge F. P. Schoonmaker ruled the municipality had no duty to construct, repair or maintain a state route.

2000 STRIKING 971 MORE SHIPS MINERS VOTE TO REACH AFRICA RETURN TO PITS SINCE NOV. 8TH

Wilkes-Barre, Pa., Jan. 14 (AP)—

A split in the ranks of Pennsylvania's 10,000 striking anthracite miners developed today as 2,000 vowed to return to work immediately—passing, if necessary, through "any picket lines" formed by 10,000 who determined to disregard a War Labor board demand and stay out.

In an atmosphere charged with tension, leaders of the 2,000, employed in two collieries, voted at a general meeting to submit their views to peaceful negotiations. To those voting against a truce, a spokesman for the two groups declared:

"I defy any of you to stop us from going back."

The position of 7,000 other strikers employed in four collieries was not determined in the poll. United Mine Workers leaders believed some favored returning and others were for continuing the 16-day-old wildcat walkout in spite of a War Labor board declaration indicating the government might seize all strike-bound collieries.

Await Next Move Spokesmen for the 10,000 still adamant, who represent ten collieries, said they were "content to let the government make the next move."

Spokesmen for another 23,000 miners in the southern section of the mine region set Friday as a "deadline" for action on their demands for a day bonus over present wages estimated unofficially to average \$8.50 daily.

Coal dealers in Philadelphia reported their stocks exhausted or extremely low and stockpiles reached low levels elsewhere in the oil-rationed northeast.

French operations northwest of Kairouan, a German held communications center southwest of the port of Sousse, were the only offensive actions along the Tunisian front. Even this action was not touched upon in an Allied force communique.

"There is no change in the ground situation," it said.

"Air activity was light. Our fighters shot down one enemy fighter without loss."

"Last night two enemy bombers were destroyed. It is now known that one more enemy bomber was destroyed Jan. 12."

The French operations northwest of Kairouan, a German held communications center southwest of the port of Sousse, were the only offensive actions along the Tunisian front. Even this action was not touched upon in an Allied force communique.

"There is no change in the ground situation," it said.

DEATHS

Daniel H. Flickinger

Daniel H. Flickinger, 55, North Queen street, Littlestown, died at his home Tuesday evening at 8:45 o'clock. Death followed an extended illness.

He was a son of Charles H. Flickinger and the late Kate Klinefelter Flickinger. He had been employed by the Littlestown Hardware and Foundry Company prior to his illness.

Mr. Flickinger was a member of St. John's Lutheran church, near Littlestown. He was also affiliated with the Independent Order of Odd Fellows and the Patriotic Order Sons of America, Littlestown, the Alpha Fire company and the Littlestown Fish and Game association.

Surviving are his wife, who before marriage was Carrie Feeser; three children, Mrs. Paul Hahn and John H. Flickinger, Littlestown, and Mrs. Clyde Steiner, Hanover R. 1; one grandson; his father, Charles H. Flickinger, Hanover, and ten brothers and sisters as follows: Milton Flickinger, Littlestown R. D.; Clarence Flickinger, Hanover R. D.; Harrison Flickinger, Gettysburg; David Flickinger, Lancaster; Mrs. Clinton Hull, Hanover R. D.; Mrs. Michael Ruth and Mrs. Preston Clouser, Hanover; Paul Flickinger, Red Lion; Walter Flickinger, Hanover R. D.; and Lloyd Flickinger, Gettysburg R. D.

Funeral Friday afternoon with services conducted at the J. W. Little & Son funeral home, Maple avenue, Littlestown, at 2 o'clock. The Rev. Kenneth D. James, pastor of St. John's Lutheran church, officiating.

Interment in Mt. Carmel cemetery, Littlestown. Friends may call at the Little funeral home this evening from 7 to 9 o'clock.

Charles Wesley Crist

Charles Wesley Crist, 49, a laborer, died at the home of his father-in-law, Charles L. Wagonah, Freedom township, Tuesday evening at 8:55 o'clock from a complication of diseases.

The deceased was born in Franklin county and had lived in and near Gettysburg for about 12 years.

Surviving are five children, Laura Belle Crist, Freedom township; Charles W. Jr., near Philadelphia; Lewis, near Dillsburg; Mary Crist, Freedom township, and Elizabeth Crist, Chambersburg, and one sister, Miss Gail Crist, Chambersburg.

Funeral services from the Bender funeral home Friday afternoon at 1:30 o'clock conducted by the Rev. and Mrs. Harold Myers, pastors of the Four-square Gospel church. Interment in Evergreen cemetery.

Friends may call at the funeral home this evening after 7 o'clock.

Mary Ethel Bittinger

Mary Ethel Bittinger, one-year-old daughter of Mr. and Mrs. Richard W. Bittinger, 345 South Washington street, died at the Warner hospital Wednesday afternoon at 3:30 o'clock from a complication of diseases. She had been ill since Christmas and was a patient at the

Warner hospital. Friends may call at the funeral home this evening after 7 o'clock.

FARMERS HOLD FINAL SESSION

Harrisburg, Jan. 14 (AP)—Pennsylvania's farmers convened today for the final sessions of the agricultural groups studying wartime farm problems involving supplies, equipment and labor.

Held in place of the annual farm show, cancelled this year, the meetings have been devoted to discussions of food production goals in Pennsylvania and measures necessary to meet them.

"I don't believe we will reach the poultry production goal set for the state in Washington but we're going to try," H. C. Kandel, head of the Pennsylvania State college poultry department declared, adding "slower growth and lower egg production may result from lack of certain feed ingredients."

Dr. G. W. Hedlund, State college agricultural economist, also said

Plan Air Raid Test In February

Harrisburg, Jan. 14 (AP)—Pennsylvania's make-believe invasion test today entered its second day with the state's military and civilian defense forces mobilizing for a check-up of preparations for anything the war might bring.

Termed "an actual tryout," the sham attack from a theoretical enemy force is being told in fictitious communiques issued by the Pennsylvania War Strategy board and will lead up to the state's next air raid drill sometime this month.

So far the make-believe invaders are supposed to be gathering off Norway preparing to attack the Atlantic coast. In announcing the plan, Governor James said this state is the first to attempt this form of training.

Three-fourths of the population of Trinidad are Hindus.

many dairymen are selling cows because of lack of farm help.

Governor James greeted the agriculturalists at a meeting in the forum of the State Education building last night. Governor-Elect Martin, also scheduled to speak, was unable to be present.

Wheeler McMillen, national Chemurgy council president, said that after the war "we will have to teach other nations how to produce" so that through chemurgy—a combination of chemistry and agriculture—they can obtain what they need from products of the soil.

\$20,000 MILK LOSS

Pittsburgh, Jan. 14 (AP)—John L. Boyle, general manager of the Page Milk company, estimated damage of more than \$20,000 was caused by a fire at the company's garage and repair shop on Saw Mill Run boulevard last night. Seventy new truck tires, two trucks, tools and repair equipment were destroyed.
